Opening Minds through the Arts (OMA) Gold Program in TUSD schools uses the arts to teach reading, writing, science and math.

- Every child in every OMA classroom is fully engaged in learning.
- Professional artists work with teachers 30 weeks during the school year.
- Students learn to love learning... test scores prove it!
- OMA Gold is a school recruiting tool, as parents seek out OMA schools.
- OMA Gold is a national school improvement model that has been developed right here in Tucson.

- 1. Write a check to one of these OMA Gold schools**
- 2. In the memo line, write OMA Gold tax credit**
- 3. Send your check to**
